

GREAT IMPRESSIONS

You don't get a second chance to make a first impression, so let us create a healthy, beautiful, impressive smile for you, one that reflects warmth and confidence both in-person and in photos across any professional and social online profiles.

Today's dentistry offers a myriad of effective dental solutions to easily and comfortably perfect your smile.

- **Discoloured teeth?** We can brighten you up during your lunch hour with fast and effective tooth whitening.
- **Uneven teeth or gums?** No problem – we can contour and even those out in no time.
- **Cracked or imperfect-looking teeth?** We'll explain how crowns, veneers, bonding and other dental solutions can strengthen and beautify your smile.
- **Crooked teeth?** Ask about "invisible" orthodontic options!
- **Missing teeth?** Let's talk about the "almost better than the real thing" dental implants!

It's critical that your smile reflects a positive impression, for the first time and every time!

Let's create your own super smile safely and effectively, right here in this office. Please call today to schedule your first step toward your beautiful, healthy new smile!

Welcome to Your Neighbourhood Dental Practice!

Dear Neighbour,

Before you get caught up with the holidays, please take a few minutes now to review your and your family's dental needs, and call today to confirm an appointment time that's convenient for you. **Please don't forget most insurance plans renew in January and whatever you don't use this year, you lose!** Call us today to maximize your coverage and ensure that you are getting the most out of your insurance plan.

Ensure a truly sparkling start to the season by reserving your tooth whitening and other cosmetic touch-ups now. Everyone wants to look their best for social occasions – perfecting your smile is a great place to start!

As we close off the year, we'd like to wish you and your family a safe and happy holiday season, and a new year filled with bright smiles. We look forward to seeing you soon!

Sincerely,

Dr. Advrani, Dr. Verma & Dr. Thapar
